Mr. Donald C. Latham
Deputy Under Secretary of Defense
(Communications, Command, Control
and Intelligence), OUSDRE
Room 3E172, The Pentagon
Washington, D.C. 20301

Dear Don:

As you are aware, we have been participating in the DCA
led efforts to define a follow-on wideband communications
satellite system to the current DSCS III program. We've heard
that in the last week those efforts might have been re-
directed. I would like to restate our support for the DoD
wideband communications satellite programs.

25X1

Sincerely,

25X1

William F. Donnelly (C)
Director of Communications
